

My sweet Joe
Marie Murrel
is a awful
girl — Naile
told me that
she was better
your sister
is awfully
pretty ...
I wish I could
sit near
you But

you care &
always have
what you
wish for
Don't you
think so?
You are
such a darling
Now I must
kiss you

and love
you as much
as my heart
can love

Yours
heart true
