My own sweet little  
Adeline - - - - - darling

you where gay today  
we had a jolly good time  
we in 'est. let pass Baby.  
I wish right never see  
I love you most

to run away from  
school. Grady & I  
will do the same  
but with you I feel  
as happy as possible  
every thing is here  
as you say. I hope

that we will not  
be a long while with  
out seeing you.  
You can't help being  
a naughty girl!  
Well I knew that  
before!... Moreover
