

From

My sweet little  
A - - - I was

very naughty

of me to  
write that

~~little~~ note

last night

I do believe  
that you

love me I

was awfully silly

to write because

you did

not love  
me You  
could not  
be as sweet  
as you are  
If you always  
show your  
love for me  
as you do  
now I will  
be too happy
